DEBRA Community Support Team

Our Community Support team works with the EB community and healthcare professionals to improve quality of life for people living with EB. We also help the wider EB community with information, guidance and advocacy.

The map below shows which community support manager usually covers each region, however we are a national team and support each other to manage workload effectively. The Team Leaders check the **communitysupport@debra.org.uk** inbox for messages regularly and will allocate each referral/request received to one of the appropriate Community Support Managers available.

Our Community Support Team are only a call away Monday-Friday 9am-5pm, you can find their details below. Outside of these hours you can email or leave a message and we will get back to you as soon as possible.

Please contact us on **01344 771961** and select option 1, or email **communitysupport@debra.org.uk**. We will be happy to help.
